How to find partners?

Partnerships are the cornerstone of ENI CBC. They are a legal requirement and essential for activities to be of benefit on both sides of the border – common problems require joint solutions.

For the interested potential applicants it is easy now to look for partners, see who is looking for partners, see where you fit, build your network and exchange project ideas by using the tools provided by the *KEEP database*.

The partner search tool in the *KEEP database* is available at the following address: <https://www.keep.eu/keep/partner>.

Besides the organizations/ institutions with a certain experience in the ETC Programmes, that could be found by using the *KEEP database*, you may also contact other organizations/ institutions of different types as presented in Annex H1 to the Guidelines for applicants “Indicative list of potential beneficiaries”.

The Joint Operational Programme Romania-Ukraine 2014-2020 is funded by the European Union through the European Neighborhood Instrument (ENI).

The Programme is dedicated to the border areas between Romania and Ukraine and will contribute to the overall objective of the European Neighborhood Instrument: progress towards an area of prosperity and good neighborliness for the benefit of Member States and non-EU members through cross-border cooperation actions.
